A Lifetime of Opportunities

Student Nurse  
Externship  
Program

## **Leaders excel in an environment that encourages and supports their unique talents...**

an environment like North Mississippi Medical Center. NMMC's Student Nurse Externship Program exposes you, as student nurses, to some of the most advanced and sophisticated medical care found anywhere. You will also find something very unique – a chance to know patients by their first name, not just as a room number or a procedure.

NMMC offers challenging and rewarding careers in all aspects of health care service. To help expose you to these careers, the NMMC Student Nurse Externship Program includes the following areas:

### **Cardiology/CV Surgery Services**

- Cardiac Stepdown
- Interventional Cardiology

### **Emergency/Surgery Services**

- Emergency Services Department
- Critical Care Unit
- Neurology
- Orthopedics
- Medical Stepdown
- Pulmonary Stepdown
- Surgical

### **Medicine/Outpatient Services**

- Medical
- Oncology
- Urology/Gastroenterology

### **Professional/Support Services**

- Acute Inpatient Rehab

### **Women/Children Services**

- NICU
- Nursery
- OB/GYN
- Pediatrics

Student nurse externs at NMMC participate in an intense, one-day classroom orientation, skills lab, a full-day seminar led by experts in their field and scheduled work hours over eight weeks with assigned preceptors.

## **Eligibility Requirements**

To be eligible for consideration, Student Nurse Externship Program applicants must meet the following requirements:
