PRATT RECEIVES NEW DESIGNATION

TUPELO, Miss.—Charlotte Pratt, benefit and compensation manager for North Mississippi Health Services, has earned the Certified Compensation Professional® (CCP) designation from World at Work Society of Certified Professionals, a not-for-profit, international association that provides certification in compensation, benefits, work-life and total rewards to assist human resources professionals to attract, motivate and retain a talented workforce. Pratt obtained her first professional certification as a Professional in Human Resources (PHR) in 1998.

She started at NMHS in 1998 as an employment interviewer, then was promoted to compensation and benefits specialist in 1999. She was promoted to benefit services coordinator in 2007, and in 2010 was promoted to her current position.

With 12 years of benefits and compensation experience, Pratt is responsible for managing employee benefit and compensation programs for employees, including enrollment, plan compliance, administration and education. Pratt received a bachelor's degree in engineering from Mississippi State University.

A member of the local chapter of Northeast Mississippi Human Resource Association, Pratt has 16 years of human resource experience and also holds the Certified Benefits Professional® (CBP) designation from World at Work Society of Certified Professionals, which she obtained in 2009.

She is a member of People's Community Baptist Church, where she serves a church clerk, a Sunday school teacher and youth leader. Pratt and her husband Shelton have two children, Kelly and Geoffrey.
