**NORTH MISSISSIPPI MEDICAL CLINICS
SELECT EMPLOYEE OF THE MONTH**

BOONEVILLE, Miss.—Lisa Bryan of Booneville has been chosen as the January Employee of the Month for North Mississippi Medical Clinics.

Bryan works in laboratory/X-ray at Booneville Medical Clinic. Prior to joining the clinic, she worked as a floater for several clinics, including Med Serve in Tupelo, Oxford Medical Clinic, Okolona Medical Clinic and Chickasaw Medical Clinic. She has been with North Mississippi Medical Clinics since 1996.

She is a graduate of Saltillo High School and attended Ross Medical Education Center, where she received her medical assistant certification.

“I know that Lisa is a very sweet and caring person,” said Jennifer Faulkner, a co-worker who nominated Bryan. “She genuinely cares for all of her patients and co-workers. She has even been known to go to a patient’s home when they were unable to get out and pick up their labs that they needed to turn in. She works very hard every day and helps out in all areas of the clinic. She is very friendly and is able to keep all her patients at ease.”

“The best part of my job is the patients,” Bryan said. “I truly love each and every one of them and I’m grateful to God that He has given me the ability to serve others.”

Bryan is married to Michael Bryan and has two sons – Corey Durham and Cole Bryan. The family attends West Ripley Baptist Church, and she is a member of Spirit of Women.

The Employee of the Month honor recognizes employees with exemplary job performance and customer service skills, as well as community involvement.
