**NORTH MISSISSIPPI MEDICAL CLINICS
SELECT EMPLOYEE OF THE MONTH**

OXFORD, Miss.—Linda Johnson of Oxford has been chosen as the March Employee of the Month for North Mississippi Medical Clinics.

Johnson works in charge entry at Oxford Medical Clinic. She has been employed by North Mississippi Health Services for more than 13 years. She is a graduate of Pontotoc High School and attended Itawamba Community College in Fulton.

“Linda is an inspiration to everyone she comes in contact with because of her awesome personality, compassion and kindness,” said a coworker who nominated Johnson. “Plus, she is a hard worker, dependable and always willing to help.”

“The best part of my job is seeing patients leave our clinic happy,” Johnson said. “I love to come to work in a happy environment. I work with great people and they are just like my family. I will help out any way I can, for coworkers or patients.”

Johnson is a member of East Baptist Church in Pontotoc, where she serves in many roles. She is chair of the EBC Youth Leaders, a Bible study teacher, choir member and song and section leader in the music department. In addition, she and her husband, along with the youth group, work the concession stand at University of Mississippi ballgames to raise money for their church activities.

Her family includes husband Willie Johnson, daughters A’Miracle Johnson and Anastasia Roberson; stepsons William Keys and Joshua Johnson; stepdaughter Gabriel Johnson; granddaughter Ashlynn Hankins; and grandson Cedric Hankins Jr.

The Employee of the Month honor recognizes employees with exemplary job performance and customer service skills, as well as community involvement.
