HOUMA RESIDENT BEGINS NMMC FAMILY MEDICINE RESIDENCY PROGRAM

HOUMA, La.—Christie Theriot, M.D., of Houma, is one of six residents who recently began their family medicine residency at the North Mississippi Medical Center Family Medicine Residency Center in Tupelo.

“The family medicine residency training program emphasizes quality medical education through traditional medical and surgical rotations. The program’s quality is also enhanced by a broad-based curriculum in family medicine in the NMMC Family Medicine Residency Center and in rural rotations throughout North Mississippi Medical Clinics,” said Edward Hill, M.D., interim residency director. “Our primary goal is to increase the number of board-certified family physicians in Mississippi, and this program is leading us in that direction.”

Dr. Theriot graduated from Nicholls State University in Thibodaux, La., with a bachelor’s degree. She received her medical training from Tulane University School of Medicine in New Orleans.

She is the daughter of Bernie and Patty Hutchinson of Bourg, La. Her husband, Jason, joins her in Tupelo.
