The cost of a screening mammogram is \$138. The results of the mammograms are read by NMMC radiologists, physicians who specialize in interpreting X-ray, ultrasound and other types of imaging studies.

Appointments for all mammography services are scheduled in advance. To schedule a screening mammogram, call (662) 377-7982 or 1-800-THE DESK (1-800-843-3375).
