**NMMC'S MOBILE MAMMOGRAPHY UNIT
TRAVELS TO AREA COMMUNITIES**

TUPELO, Miss.—North Mississippi Medical Center's Mobile Mammography Unit travels to area communities to provide convenient access to mammography services.

The mobile mammography unit will be at the following locations:

March 1-2	NMMC-Iuka 1777 Curtis Drive
March 3-5	NMMC-Pontotoc 176 South Main Street
March 8-9	NMMC-Hamilton 1256 Military Street South
March 10-12	The Women's Group-Columbus 2031 Highway 45 N., Suite 4
March 15-16	NMMC-Iuka 1777 Curtis Drive
March 17-19	NMMC-Pontotoc 176 South Main Street
March 22-23	Booneville Medical Clinic 1301 North Second Street
March 29-30	NMMC-Iuka 1777 Curtis Drive
March 31-April 2	NMMC-Pontotoc 176 South Main Street

A screening mammogram is used to detect breast cancer in women with no current breast problems. The test can detect cancer before it can be found by physician examination or other methods of diagnosis. Screening mammograms are available through self-referral.

The cost of a screening mammogram is \$138. The results of the mammograms are read by NMMC radiologists, physicians who specialize in interpreting X-ray, ultrasound and other types of imaging studies.

Appointments for all mammography services are scheduled in advance. To schedule a screening mammogram, call (662) 377-7982 or 1-800-THE DESK (1-800-843-3375).
