### NMMC'S MOBILE MAMMOGRAPHY UNIT TRAVELS TO AREA COMMUNITIES

TUPELO, Miss.—North Mississippi Medical Center's Mobile Mammography Unit travels to area communities to provide convenient access to mammography services.

The mobile mammography unit will be at the following locations:

June 30-July 2	NMMC-Hamilton 1256 Military Street South
July 7-9	NMMC-Pontotoc 176 South Main Street
July 12-13	New Albany Medical Clinic 400 Doctors Drive
July 14-16	The Women's Group-Columbus 2031 Highway 45 N., Suite 4
July 19-20	NMMC-Iuka 1777 Curtis Drive
July 21-23	NMMC-Pontotoc 176 South Main Street
July 28-30	NMMC-Hamilton 1256 Military Street South

A screening mammogram is used to detect breast cancer in women with no current breast problems. The test can detect cancer before it can be found by physician examination or other methods of diagnosis. Screening mammograms are available through self-referral.

The cost of a screening mammogram is \$138. The results of the mammograms are read by NMMC radiologists, physicians who specialize in interpreting X-ray, ultrasound and other types of imaging studies.

Appointments for all mammography services are scheduled in advance. To schedule a screening mammogram, call (662) 377-7982 or 1-800-THE DESK (1-800-843-3375).
