DELESE TUTOR NAMED EMPLOYEE OF THE QUARTER  
AT NMMC-PONTOTOC

PONTOTOC, Miss.—Delese Tutor, CLPN, who works in North Mississippi Medical Center-Pontotoc's Long Term Care, was named the most recent Employee of the Quarter.

Tutor, a Pontotoc resident, has worked for NMMC for five years. She spent two years at Baldwin Nursing Facility before transferring to the Pontotoc facility in 2007.

A Pontotoc High School graduate, Tutor earned an education degree from the University of Mississippi in 1989. She returned to school to achieve her nursing certificate in 2004.

In her nomination, Tutor was described as an "angel of mercy," who works diligently to see that every need of every resident is met.

"I enjoy working with such wonderful coworkers and residents," Tutor said. "I feel God places us where we need to be and when, and I am honored to have NMHS as my family away from home."

Tutor and her husband Mike have been married for 22 years. They have three children—son Tyler, 18; daughter Allison, 15; and son Andrew, 9. The family attends First Baptist Church in Pontotoc, where she is active with the children's ministry.

In her spare time, Tutor enjoys gardening, bowling, scrapbooking, attending church and being a mother and wife.
