**LIFE AFTER DIAGNOSIS COMMUNITY PROGRAM
SET FOR JULY 27**

TUPELO, Miss.—“Medicaid & Medicare Fraud” will be the topic Tuesday, July 27, at the Life after Diagnosis community program for women diagnosed with breast cancer.

Wade Holland, senior Medicare Patrol coordinator with Three Rivers Planning and Development District, will be the featured speaker. The free community program will begin at 5:30 p.m. at the NMMC Breast Care Center, 4376 S. Eason Blvd.

“Life after Diagnosis programs provide education and emotional support,” said Tina Stevens, RN, breast health specialist with NMMC’s Breast Care Center. Programs are held the fourth Tuesday of each month, except June, November and December.

Call (662) 377-4910 or 1-800-THE DESK (1-800-843-3375) for more information.
