TUPELO, Miss.—Dr. Terry Pinson of Tupelo (first row, fifth from right) and Teri Spain of Booneville (second row, fifth from right), representing North Mississippi Medical Center's Bariatric Center, participated in Obesity Awareness Walk and other activities March 10 at the Mississippi State Capitol in Jackson. Rep. Steve Holland of Plantersville (fourth row, second from right) helped organize the day's activities, which also included exhibits on obesity-related topics.
