FESTIVAL TEAM CAPTAINS TO MEET

TUPELO, Miss.—Project Hope is looking for folks who want to make a difference in the lives of local cancer, diabetes and heart disease patients.

The Team Captain meeting for the 12th annual Festival of Hope begins at noon Friday, Oct. 15, at the North Mississippi Medical Center Wellness Center, 1030 S. Madison. The meeting will feature a complimentary lunch, games and door prizes.

Festival of Hope is a team-based fundraiser planned for March 4 at Tupelo Furniture Market. The event benefits local cancer, heart disease and diabetes patients; remembers those who suffered from these diseases and supports national research efforts. Anyone interested in entering a team is encouraged to attend.

This year's theme is "Celebrating the Holidays with Hope," and features bizarre holidays celebrated throughout the year. For more information on Festival of Hope, call (662) 377-3867 or visit www.projecthopems.com.
