REID RECOGNIZED AS OUSTANDING EMPLOYEE AT NMMC-WEST POINT

WEST POINT, Miss.—Administrative Assistant Renee Reid has been selected by her peers as North Mississippi Medical Center-West Point's most recent Employee of the Quarter.

Reid joined the hospital staff in May 2004. She is a graduate of Oak Hill Academy and completed the Certified Coding Associate program at East Mississippi Community College this May.

In her nomination, coworkers stated that Reid sets a good example for others by paying attention to detail and always giving more than 100 percent in everything she does. She volunteers with fundraising efforts for various community projects and enjoys learning new skills so that she can help others. "She is always there to help anyone anytime she can," her nomination stated.

"I love working with all the friendly people here," Reid said. "Being a part of such a great group of people makes coming to work so enjoyable."

She is married to David Reid and has two sons—Colby Latham, 20, and Cameron Latham, 17; and a stepson, Jim Reid, 19. She serves on the Sally Kate Winters Family Services Board of Directors and is a member of Calvary Baptist Church.
