**NMMC-WEST POINT RECOGNIZES TRIPLETT
AS OUTSTANDING EMPLOYEE**

WEST POINT, Miss.—Susie Triplett has been selected by her peers as North Mississippi Medical Center-West Point's most recent Employee of the Quarter.

Triplett joined the hospital staff in 1994 and serves as Material Manager. Prior to her current position, she worked with medical records and data processing.

"Susie works very hard to make certain each department has the supplies needed to carry out its tasks," her nomination read. "She works to purchase supplies at the best price possible, thus saving money. She always has a smile and is always willing to help."

A graduate of West Point High School, Triplett attended Mississippi State University in Starkville. She attends Immanuel Baptist Church in Columbus, where she is a Precept Bible Study leader.

"What I love best about my job is all the great people I have been able to work with over these years," Triplett said.

She is married to Ted Triplett. They have two children, Alex and his wife Kristi, and Luke, and two grandchildren.
