**NMMC-WEST POINT SALAD LUNCHEON
TO BENEFIT AMERICAN RED CROSS**

WEST POINT, Miss.—North Mississippi Medical Center-West Point will host a salad luncheon to benefit the local chapter of the American Red Cross from 11:30 a.m.-1:30 p.m. Wednesday, Sept. 29.

The luncheon will take place in the hospital's Education Center, located at 835 Medical Center Drive. For a suggested \$5 donation participants receive a variety of homemade salads, plus dessert and a drink.

"The local American Red Cross office has struggled this year with many victims of house fires and many requests from assistance from military families," said Brenda Johnson, American Red Cross board member and volunteer.

"Our local chapter is also in need of teaching aids such as manikins for CPR classes and health and safety training for local day cares, fire departments and other organizations," added Glenda Brinkley, American Red Cross board member and volunteer.
