

Welcome to the NMMC Rehabilitation Institute.

Our goal is to provide you with an individualized program designed to meet your specific needs. Based on your diagnosis and situation, a statement of the services you will receive is outlined here. Depending on your progress and recovery, these services may change. Your rehab team will coordinate these services and keep you informed of any changes. If you have any questions, you may contact (662) 377-4060.

Your rehabilitation program will include the following services:

- Rehabilitation Medicine
- Physical Therapy (PT)
- Occupational Therapy (OT)
- Speech Therapy (ST)
- 24/7 Rehabilitation Nursing
- Social Work/Case Manager
- Nutrition Services
- Pharmacy Services
- Other_____

Please contact the Program Director at (662) 377-4054 with any questions or concerns.

You will be offered at least **three hours** of rehabilitation therapies (PT, OT, ST) Monday through Friday with modified therapy programming on the weekends.

We will make every effort to help you feel prepared for your transition home or to your next level of care. A **rehabilitation team conference** will be held each week during your rehabilitation stay. Your team conference will be held every _____. Your team will discuss your length of stay, progress, discharge planning and follow-up services. This plan of care will be discussed with you and your family to ensure everyone is in agreement moving forward.

Your insurance provider has been verified to be: _____.
Please contact your social worker if you have any questions regarding your insurance coverage.

Your primary doctor is _____.
