

Imagine THE Possibilities IN HEALTH CARE

Live, virtual events will be held throughout October and November to help high school students and parents learn more about career opportunities within health care.

Our teammates will share real-life stories about their career journeys and help students understand not only what each role does, but how they, too, can reach their career goals with the appropriate training, education, and/or licensure/certification.

- **October 14, 6-7 p.m. – Information Technology Services**

Featuring Phil Alexander, NMHS Chief Information Security Officer; and Rachael Hill, Director of Clinical Systems Operations

- **October 21, 6-7 p.m. – Emergency Services**

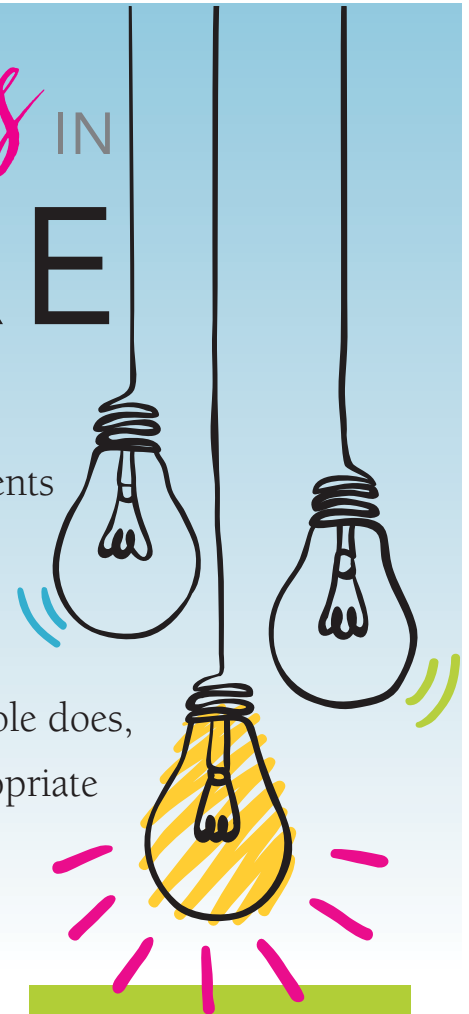

Featuring Chris Elliot, Paramedic; Lee Waldrop, Clinical Manager; Javier Tiscareno, Flight Nurse; Joe Stoll, ER Tech; Andy Houston, Dispatcher, and Amanda Mitchell, Respiratory Therapist Educator

- **October 28, 6-7 p.m. – Nursing**

Featuring Megan Bunch, Director of Inpatient Nursing at NMMC-Tupelo; Alicia Walker, LPN; Brittany Dallas, Nurse Educator; Pam White, Director of Nursing at NMMC-West Point; Mary Pruitt, Registered Critical Care Nurse, and Rhonda Newman, Professional Recruiter

- **November 4, 6-7 p.m. – Support Services**

Featuring Holly Miller, Director of Environmental Services; Sonja Gilchrist, Food and Nutrition; Shane Smith, Director of Biomedical Services; Jason Lea, Director of Facility Operations; Rodney McCoy, Security, and Kenneth Fields, Supply Processing Distribution
