Vendor/Sales Representatives

Update on Monday morning, March 16, 2020

Effective immediately, NMHS is restricting access at its hospitals in response to COVID-19. Until further notice, all non-essential vendor representation must conduct business via phone or email.

We will be notifying all essential vendors via email. If you do not receive an email from NMMC purchasing, please do not enter any NMHS facility. This notification is for everyone's safety.

Thank you for your understanding and patience.
